## DOUBLY PROVEN

Alma Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of undoubtedly benefit.

The facts are now confirmed.

Such testimony is complete—the evidence is conclusive.

It forms convincing proof of merit, C. E. Webster, cattle buyer, W. Center St., Ithaca, Mich., says: "For years I was in bad shape from kidney trouble. My kidneys didn't act right, I had severe attacks of backache and I could hardly straighten after stooping. At times I was nervous and dizzy. I was restless at night and in the morning felt tired. I used Dean's Kidney Pills and they gave me great relief in every way."

Over six years later, Mr. Webster said: "I still use Dean's Kidney Pills once in a while and don't know what I would do without them. I am glad to recommend this medicine."

Price 60¢, at all dealers. Don't simply ask for a kidney remedy—get Dean's Kidney Pills—the same that Mr. Webster had.

In Comparison with Stock Insurance Rates

Michigan is one of the states that has a large and successful mutual automobile insurance company with over 30,000 members with 780 claims paid, and still has a surplus fund of about \$70,000.

The Company is well located in a small town and makes a specialty of insuring the automobiles of farmers and the business men of the small towns in Michigan. It started at the right time and is now starting its fourth season of success.

It is the only mutual automobile insurance company that publishes the amount of money on hand to take care of its members and the number of members.

The responsible and active agents are acting for the Company as they do not wish to represent a small company. Why take chances on a small company when you can insure in the big and well established mutual. It is the only mutual company in Michigan that can stand the shock of serious losses and pay the claims promptly with money now in the treasury.

Cost only \$1.00 for policy and 25c per H. P., covering fire, theft and liability.
